BACKUP SECURITY

It is understood that the service provided is that of wireless backup to an alarm system's telephone line based digital dialer. The SUBSCRIBER acknowledges there are certain unavoidable limitations in providing radio signal services and such limitations are inherent with such systems and that provider herein known as Nearnet, Inc. does not insure, guarantee, or warrant to the SUBSCRIBER that by subscribing to this service the SUBSCRIBER's security system will function as intended. Wireless service is being provided upon the express understanding and condition that provider is not an insurer or guarantor of the performance of any security system and that it has expressly denied and disclaimed any representations or intent on the part of the provider that the service meet any specific standard for a security system.

It is recognized that radio interference may affect the transmission of a SUBSCRIBER's signal to receiving sites on occasion and that damage could occur to receiving sites, processor, or other related equipment that could temporarily result in the absence of service. Additionally, during routine maintenance to receiving equipment, service may be temporarily interrupted. Such routine maintenance and calibration will be performed at times which will effect the smallest number of users and will always be limited to the shortest period of time allowable. To this extent the SUBSCRIBER assumes and accepts such risk and the consequences of such and agrees to hold the provider harmless from any and all claims, including third party claims as a result of the absence of service.

LIABILITY LIMITATION

The SUBSCRIBER recognizes that there can be no guarantee that signals from the SUBSCRIBER's unit will result in successful downloading to the CENTRAL STATION and that provider WILL NOT HAVE ANY LIABILITY FOR ANY LOSS WHATSOEVER, INCLUDING BUT NOT LIMITED TO PROPERTY DAMAGE, PERSONAL INJURY, FLOOD, ETC. RESULTING FROM A CLAIM THAT THE NETWORK DID NOT PROVIDE WARNING.

> THERE ARE NO WARRANTIES, EXPRESS OR IMPLIED, OF MERCHANTABILITY, OR FITNESS FOR A PARTICULAR PURPOSE OR OTHERWISE, OTHER THAN THOSE SPECIFIED WITHIN. IN NO CASE SHALL THE PROVIDER BE LIABLE TO ANYONE FOR ANY CONSEQUENTIAL OR INCIDENTAL DAMAGES FOR BREACH OF THIS OR ANY OTHER WARRANTY, EXPRESS OR IMPLIED, OR UPON ANY OTHER BASIS OF LIABILITY WHATSOEVER, EVEN IF THE LOSS OR DAMAGE IS CAUSED BY THE NEGLIGENCE OR FAULT OF EITHER OR BOTH OF THEM

In consideration of the SUBSCRIBER's assumption of risks as provided herein and the limitation of service to be provided by the provider, and the limitation of liability set forth in this agreement, the SUBSCRIBER further agrees and contracts to limit the total liability of the provider to a maximum of $100.00 for any and all claims per SUBSCRIBER.
